# HOUSE RULES

**We are passionate about making great cocktails and everything we do is made to order. Because of this, during busy periods, our cocktails can take a little time. Please be patient and know that it will be worth the wait.**

**We only make two types of flavoured martinis: gin or vodka. Please don't order a dirty martini!**

**Please do not ask for a Pina Colada, Strawberry Daiquiri or any other blended drink as our response to your request may offend.**

**Don't bring anyone here that you wouldn't leave alone in your own home, you are responsible for your own guests!**

**The customer is not always right, just the polite and respectful ones.**

**When leaving, please do so quietly. Remember, we have neighbours!**

**Even though we adhere strictly to our house rules, we do so with tongue firmly in cheek. Enjoy your evening!**

*The Little Pig*

SPEAKEASY
