## BLIND PIG

• S P E A K E A S Y •

Welcome to the Blind Pig, Dublin's longest-running speakeasy, blues & jazz cocktail bar.

We don't have rules per se, but we do have some tips to enjoy our service and the venue:

--

Mind the step on the way out.

--

The nature of our mixed drinks is spirit-forward and robustly flavoured. If our drinks feel too strong, it's because everywhere else has given you half-measures.

--

We are a live music venue, proudly supporting the best of blues & jazz that Ireland hosts, so it gets loud sometimes, which is great for blocking out the other tables' terrible conversation.

--

We are table service only, so relax, get cosy, and we'll look after you.

--

It's seating only too. No standing. Please ask us if you wish to have friends join your party, and we'll try and find space.

--

We pride ourselves on our knowledge of mixed drinks, and original Blind Pig creations, please don't be afraid to ask us for advice or a recommendation. If we carry the ingredients, we'll make it.
